MECHANICAL ROYALTIES ASSIGNMENT

Please complete the work below.

Parameters: Assume that you are a composer and own your own independent publishing company. You place 20 songs on upcoming releases by a major label. The label will print 50,000 units.

Object: Please compute the correct mechanical royalty amounts owed to your publishing company. Listed below is each song's title and duration. Complete the work on this worksheet. Thank you, PC.

Notes: Please make sure to write the cents amount in the correct format. For example, 6 cents should be written as .06 and 2.5 cents should be written as .025. Good luck.
